

# airstream<sup>®</sup> Condo Vac

Central vacuum system that is ideal for condos, townhouses, apartments and more!

The Airstream condo vac is designed to save space, install easily, offer the same features of a full-sized unit. The power and convenience of a central vacuum with a "No-Pipes" design makes this model ideal for all kinds of application.

The Condo Vac offers a powerful solution for little space! It is the perfect unit for new construction, replacing an existing system or adding an additional unit to a home.

Compatible with the Retractable Hose Retraflex<sup>®</sup>

The retractable hose automatically retracts inside the walls.

No more hose to carry around!

Visit [retraflex.com](http://retraflex.com) to see it in action!

Airstream Condo vac is available in Surface or Flush mount models!

**IVD 660-F**  
Flush mount with mounting bracket

**IVD 660-H**
